A drive-thru graduation to remember

Over three days the graduates were invited to drive through, accept their diplomas and stop for a photo opp. The children dressed up in their best and arrived in cars decorated to celebrate the occasion. In addition to their diploma, each graduate took home a backpack full of school supplies, a new school uniform and a new pair of shoes to help ensure success in kindergarten.

Each year Child Crisis Arizona honors the students moving on from the Early Education Program to kindergarten in the fall. This year the school year was cut short when the pandemic forced the closure of the early education campus. The teachers and staff were eager to throw this graduation to praise the accomplishments of, and say goodbye to, the children.

Their time in the classroom may have been cut short but the 15 graduates of Child Crisis Arizona’s preschool program still enjoyed a memorable graduation.

During the pandemic, Family Support Specialists and teachers have remained a resource for the families. They’ve reached out with weekly phone calls and have delivered meals, board games, books, crafts and other activities to keep kids active and learning.

Celebrating our first two high school graduates

In expanding our services to children 0 to 17, we’re celebrating a milestone with the very first high school graduation of two teens living in our residential programs! These teens are now working on job-related skills that will set them on a path for success.
Thankful Thursdays

“It gives us a night when we can enjoy ourselves and not have to cook and just be a family.”  
- Brenda, foster mom

The generosity of donors and volunteers in the community has allowed Child Crisis Arizona to begin a weekly Thankful Thursday meal distribution for Early Education and Foster Care families. Once a week these families are invited to pick up a free meal from Child Crisis Arizona to enjoy at home. The program relieves some stress for vulnerable families experiencing job loss, lack of healthcare and food insecurity.

Thank you to all the Thankful Thursday donors, organizations and restaurants who have nourished families in our community!

Much appreciation to the good-hearted people at Domino’s who have donated thousands of pizzas.

“Thank you. You have helped my family with wipes and diapers and food in these difficult times. I do not know what I would have done without your help. We are very lucky to be in the program.”  
- Grateful family of five

Meet Cindy & Sam Coffman

From galas to goats, for many years this couple has been putting vulnerable children first and foremost with their huge hearts. As volunteers, they have sponsored events, provided petting zoos and bounce houses for shelter kids and supported every effort imaginable. They never say no to helping out wherever they can with their time, talents, treasures and connections. Cindy has served on the Board of Directors for six years and has co-chaired the gala twice. Sam’s law firm, Dickinson Wright, has sponsored the gala for many years. We are truly fortunate to have their support and dedication. Thank you both!

- Little Caesars Pizza
- Paycom employees
- Wildflower Bread Company

Shelter & Safety: Two cornerstones that have built and defined Child Crisis Arizona for 43 years. We have committed ourselves to caring for the most vulnerable children and families in our community. Our work is important to these families that trust us as their lifeline. When the pandemic hit, the critical nature of this work became more evident with each passing day. Child Crisis Arizona chose to become part of the solution. Join us to see how!
