

Dear Valued Community Partner,

Shelter & Safety. Two Cornerstones that have built and defined Child Crisis Arizona for 44 years.

We have committed ourselves to caring for the most vulnerable children & families in our community. Today we recognize, our work is even more critical and important to the families that trust Child Crisis Arizona as their lifeline.

To that end, in 2021 we have chosen to move forward with a hybrid style, in-person and virtual annual gala, titled The Great Outdoors Gala, Glamping Style. The in-person guest portion of The Great Outdoors Gala will be outdoors only, on the Sonoran Terrace at the JW Camelback Marriott. The event will be a socially-distanced evening of entertainment, fun and an opportunity to provide hope for children and families who need it most – created specifically with your company and guests' safety in mind.

- The in-person capacity of this event is around 200 guests.
- Arrangements will be made to ensure social distance guidelines and other safety protocols are followed.
- There will be a live stream of the event mixed with pre-recorded videos of special guests to offer an engaging and fun experience for those virtual guests viewing from home.
 - Each sponsor package will include event kits sent to virtual guests designed to enhance the virtual experience.
- Based on your current corporate policies, we are happy to accommodate sponsors who would prefer to have guests attend only the virtual, live-stream portion
- Additional changes to the event may be made, dependent on guidance received from local municipalities as the date draws nearer.

We invite you to join us in our efforts to continue the great work of Child Crisis Arizona. With your help, we can continue to fund the prevention, intervention and early education programs for the vulnerable populations we serve.
