

Child Crisis Arizona

Safe kids. Strong families.

You can give Arizona's most vulnerable children & families the gift of choice this holiday season.

This holiday season, we would like to ask you to partner with Child Crisis Arizona by providing the gift of “gift cards” that can be distributed to families in need. With your help, we can provide every child and every family the experience of having the gift of choice. The choice to go to a store and select exactly what will be the most beneficial for them to fulfill the basic needs for their families.

Whether it is a size 10 pair of new athletic shoes for a growing teen, a parent and child being able to spend rare quality time together at the movies, or a family being able to cook a special holiday dinner together for the first time, your gift card donation will give our families the independence and dignity that they deserve, and will give children in our programs the safety, comfort and joy that they need.

We recommend gift cards to:

- Grocery stores
- Child and teen clothing stores
- General “big box” stores
- Movies
- Attractions & family entertainment
- Book stores

Invite others to join you & give the gift of choice.
